

WILD HARVEST COMMUNITY ALLOTMENT PROJECT

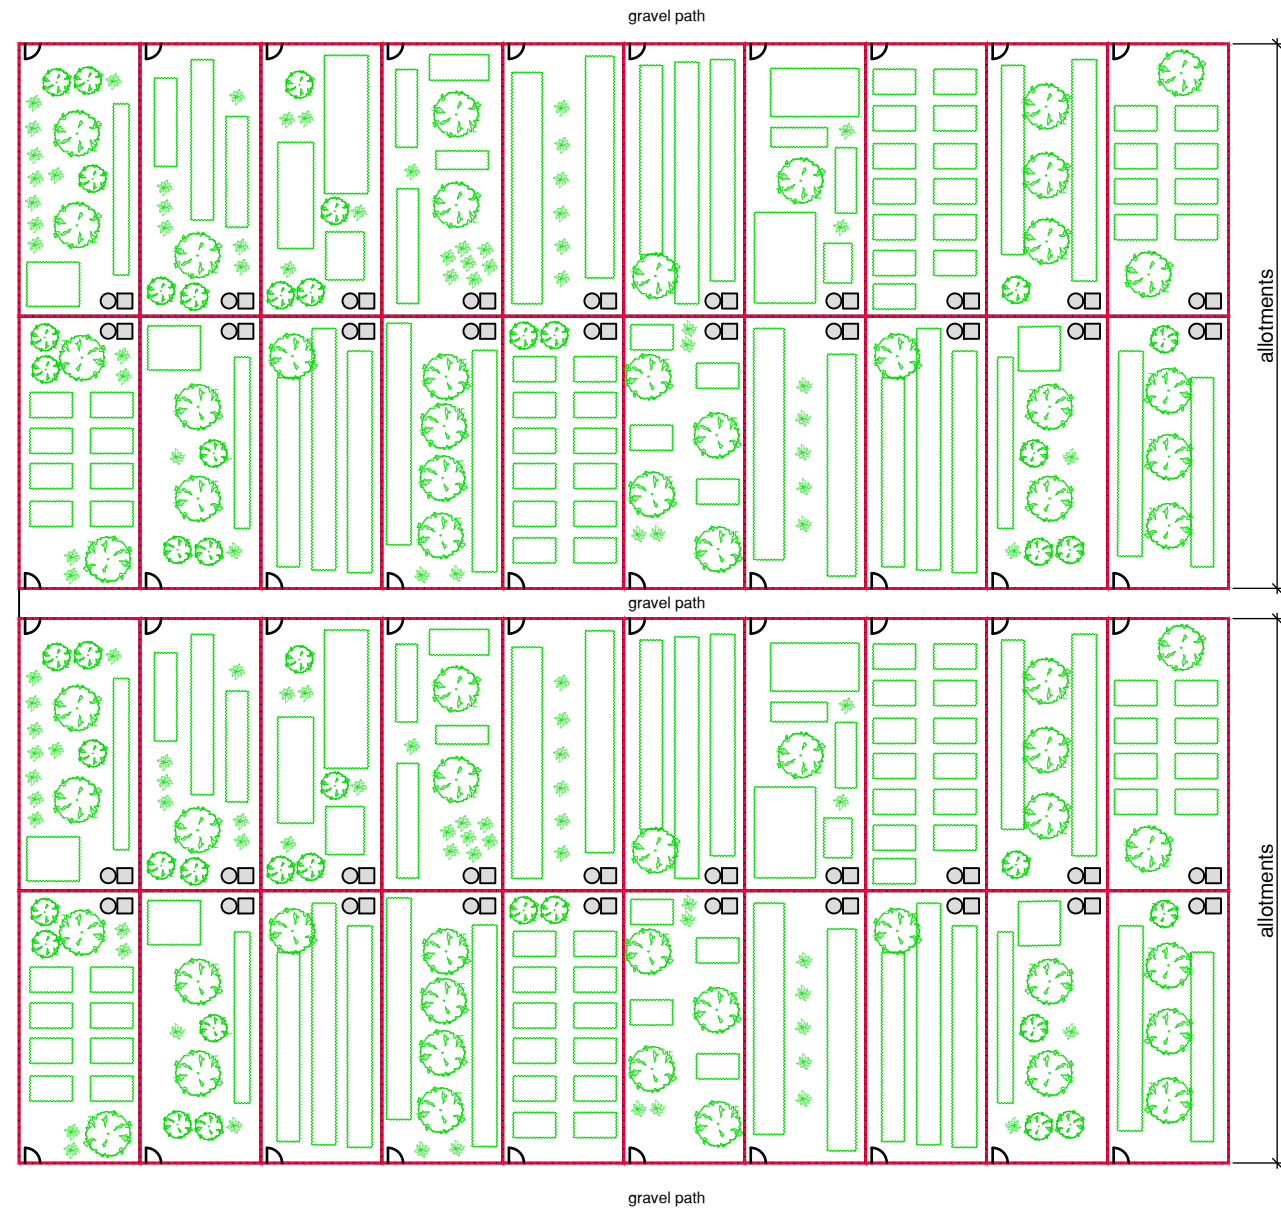

Proposal

Wild Harvest Community Projects Ltd CIC Social Enterprise is setting up a project to offer free allotments to the unemployed. Each 8x18m allotment plot will come with the following:

- 1x1m Hut with 1m round water catchment barrel for plant watering
- Basic Tools to be stored within shed
- Seeds
- Onsite advise

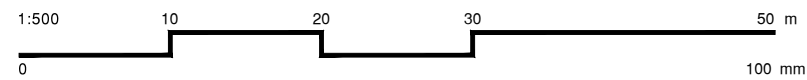

The project is primarily set up to help the unemployed gain a sense of purpose, as well as help, provide free fresh fruit and veg for their families.

fence to allotments to be 1m high timber rail fencing
 site boundary fence to be 2m high palisade fence with 4m gated entry where required.
 no power or water supply required to allotments.
